MIDSUMMER DAY OF THE OX

Destroyer Fubuki
WOW, IT'S RARE FOR YOU TO BE THE ONE INVITING US
LET'S... GO EAT OUT FOR DINNER
Destroyer Hatsuyuki
WOW, THAT SURE IS A LOT...
AND HOW ABOUT
TODAY'S THE DAY OF THE OX...SO I'M GOING ALL OUT WITH THE FOOD VOUCHERS I SAVED UP.
NOPE, NOTHING LEFT.
ALREADY USED UP TODAY'S TOO
Destroyers Miyuki Shirayuki
WE'LL HAVE THE USUAL, TOO
NO ADDITIONS HERE...
I'D LIKE TO CHANGE THE SIDE DISH TO EEL AND ADD A SIDE OF HORSE-MEAT SASHIMI...!
LIKE "EEL" AND "OXEN", DRIED PLUMS ARE ALSO INCLUDED IF YOU CONSIDER THAT MIDSUMMER BASKET CLAMS ARE EATEN AS WELL!
REALLY NOW
MAMIYA-SAN TOTALLY GETS IT!

Note: The midsummer Day of the Oxen is on July 21 and started as a form of advertisement to sell eel.
The idea was to eat foods with "u" to help beat the heat. In this case it's うなぎ/unagi/eel and うし/ushi/ox.
